

The Otwell Side Table 15"W x 23"L x 24"H

cherry	\$550
walnut	\$575
maple	\$575
mahogany	\$575
mesquite	\$775

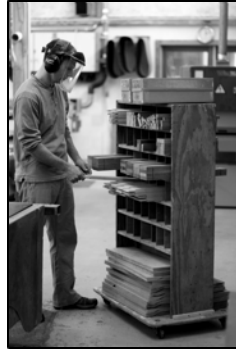

We turn the legs of our Otwell table to a pleasing taper that echoes the shape of the rocking chair front leg. The aprons are mortised through the leg. We drive two wedges into the ends of the tenons to secure and reveal the construction.

Option:

We can put a shelf in the Otwell Table for an additional \$225, except for mesquite, which adds \$395.
