

The Terrell Side Table 19-1/2"W x 20-1/4"D x 25"H

cherry	\$1,400
walnut	\$1,475
maple	\$1,500
mesquite	\$1,950

The Terrell Side Table articulates many visual elements of our Weeks Rocker: Rounded slats, turned legs, exposed joinery, faired intersections, matched figure, and fine finish. The eighteen mortise and tenon joints (most through and wedged), the dovetail drawer, wooden guides, and the seamless leg to rail transitions would challenge the talents, and patience, of any craftsman.
